Welcome to School Audit

School Audit is the ultimate asset management and compliance solution from InVentry.

It simplifies the management of assets in your school. Everything is accessed through our cloud based portal and easy to use apps, giving you complete control over the life cycle of your assets and budget planning.

Designed specifically for education, School Audit is a simple and cost effective solution to asset and compliance management.

Simple

Smart

Effective

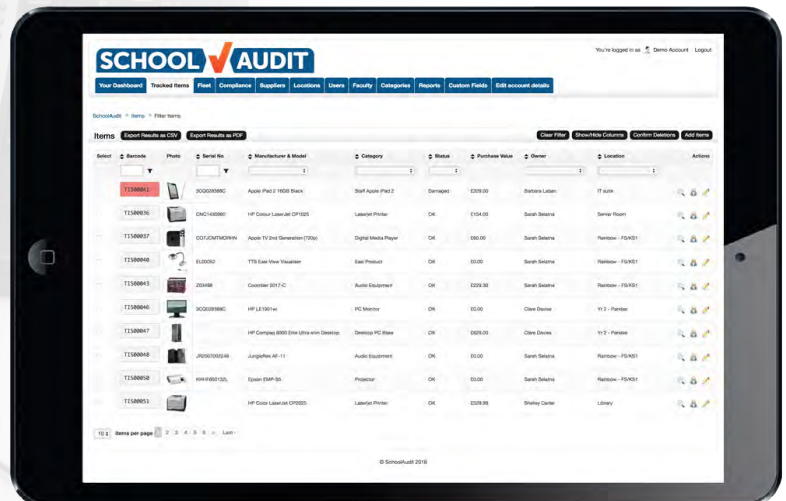

Scan the QR code using the app to quickly add assets and locations

Make changes to assets on the go, report faults or remove assets from the register.

Use the portal to produce reports, make bulk changes and see the value of all your assets.

School Audit Features

Audit Service

Our professional onsite audit service saves you time and resources.

Disaster Recovery

Cloud based software keeps your data safe and secure offsite.

MAT Asset Solution

Access asset information from multiple sites using one single login.

Valuation Service

Get the total value of your assets directly through School Audit.

Help Desk Integration

Easily report faults with equipment by scanning the QR code on the asset.

Document Storage

Attach digital documents to assets so they can easily be stored and retrieved.

Loan Equipment

Manage the status of assets to easily see current and previous locations.

Audit Labels

Free unlimited audit labels throughout the duration of your subscription.

Minibus Checks

Set what regular checks need to be done on your vehicles and get reminders.

Statutory Checks

Receive reminders and monitor checks for due tasks.

Custom Reports

Easy to use reporting tool exported in PDF or CSV format.

Training and Support

Full UK support team available for any questions or queries.

What our customers say...

"The team were efficient, professional and carried out their tasks very quickly without any disruption to any service users."

St Thomas More School

"Very professional audit carried out with little disruption to class. Lovely guys and very helpful, especially with the training."

St Joseph's RC School

"I have been very impressed by the work and service received and feel this audit system will be excellent for our school."

St John Fisher and Thomas More Roman Catholic High School
